ANTRACITE

The Marcella lounge items come with sunproof cushions in the color Ash (Agora®) and feature an inner breathable, water-resistant cover and have a filling built around a core of durable quality foam that is free of calcium carbonate fillers.

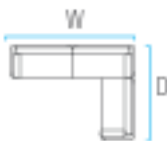

The processed rope ( Rope ) in the color Anthracite is hand braided and feels like fabric. The moisture transporting properties of the polypropylene Rope allow it to dry quickly after a rain shower. The Rope is recyclable, color true and UV resistant.

*To customize your Marcella lounge, we offer separate cushion covers in a range of Sunbrella® or Agora® fabrics. Please ask your local dealer for the possibilities.*
